New DTS Rep for Germany: mg-sensor GmbH

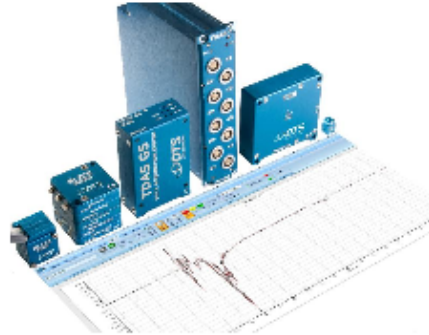

DTS has officially signed **mg-sensor GmbH** as its new sales representative in Germany. The team brings over 20 years of experience in test and measurement in a variety of industries including automotive, military and research facilities.

Located in Iffezheim, mg-sensor offers expert technical sales and support, plus fast local service.

DTS and mg-sensor are working together at Stand 1121 at Automotive Testing Expo. Please stop by to meet our new German sales team.

Award-Winning DAS & Sensors for Over 21 Years

Diversified Technical Systems manufacturers data acquisition systems and sensors for dynamic testing and human injury assessment.

DTS is the leading provider of advanced measurement solutions that require high-speed, miniature, crash-hardened data recorders and sensors.
