FOR IMMEDIATE RELEASE

DTS Michigan Moves Into New Larger Facility

Seal Beach, CA (May 2015) – DTS Michigan is relocating just around the corner from its previous location in Novi, Michigan. The new state-of-the-art facility is three times larger to accommodate both recent growth and future expansion. The new office houses technical staff, sales, support, training rooms and is an ISO 17025 Accredited Calibration Laboratory for DTS products.

The official move takes place on Wednesday, May 13, 2015 to:

DTS Michigan
25881 Meadowbrook Road
Novi, Michigan 48375 USA
Telephone (New): 248-513-6050

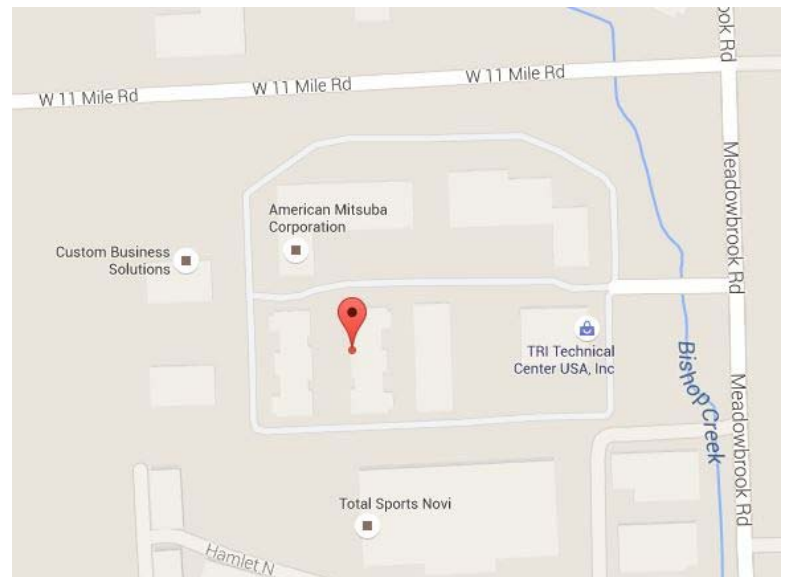

Visit www.dtsweb.com for more information.

About DTS

Founded in 1990 by three crash test engineers, Diversified Technical Systems data recorders and sensors are used worldwide in crash, blast and biomechanics testing by top automakers, aerospace and leading research facilities. The U.S. Army named a DTS helmet sensor as one of “The Greatest Inventions.” *Inc. Magazine* has named DTS three times as one of the fastest-growing private companies in the U.S. DTS is based in Seal Beach, California and has technical centers in North America, Europe and Asia-Pacific.

The new DTS Michigan office is three times larger than the previous location. The facility features new training rooms and is an official ISO 17025 Accredited Calibration Laboratory for DTS products.
