Subject: DTS joins VPG

Today we are excited to announce that DTS is now a part of Vishay Precision Group, Inc. (NYSE: VPG), a leading producer of precision sensors and sensor-based systems. DTS as a part of VPG will bring expanded opportunities to add integrated data acquisition and sensing to demanding measurement challenges. We believe that joining VPG will allow DTS to continue its mission of being the most trusted provider of measurement solutions in every market we serve.

Our legal entity will remain as Diversified Technical Systems, Inc. From the VPG and DTS standpoint there will be no need for changes to purchase orders, quotations or any other legal documents. There will be no foreseeable functional changes to the DTS website, Help Center, email addresses, phone numbers, physical addresses and all other customer facing forms of communication. All your normal contacts for DTS Sales, local representatives and distributors, Technical Support, Purchasing, Finance and other departments will remain the same.

We want to thank you for the trust you have shown DTS for our first 30 years and we look forward to working with you with quality products and service for the next 30 years! If you have questions or concerns please feel free to reach out to us directly or to anyone at DTS.
